It is with a heavy heart that IOMSN and MSNICB announce the passing of Nicola "Nicki" Ward-Abel. Nicki was a founding member of both organizations, and her contributions to the field of interventional sonography and interventional nephrology were invaluable. She was a dedicated professional who always put her patients first and was known for her kind and compassionate nature. Nicki's legacy will live on through the lives she touched and the work she accomplished. She leaves a hole in our world and a hole in our heart. RIP blond and beautiful Nicki. May her memory be a blessing.
